MW LETTERS

Tell us, and our girls, what you want more and less of!

LATIKA'S MY LEGEND

I've only been reading *MensWorld* for a year or so, and I'm not really old enough to remember Jo Guest from her heyday, but I must say that after seeing her spread in Volume 23 Issue 4 I can see what all the fuss was about.

However, as all the letters you get this month are probably going to be about Jo – considering she was apparently a *MensWorld* legend and all – I thought I'd sing the praises of a girl from the present, the gorgeous Latika. She just looked so sexy with her moody pouting lips and pert tits.

I especially like the opening shots of her on the bed in her bra and panties – what I wouldn't give to be on it with her! Great mag, keep up the good work.

James, Maidstone

Welcome to the letters pages James, it's nice to hear from a relatively new reader. To be fair, you're absolutely spot-on, we have had a lot of mail about Guesty's most recent appearance in the magazine, and it's no surprise considering she was a big celebrity and very popular back in her day. But like you say, there were may other gorgeous girls in that issue and Latika was one of them, a sexy, pouty hottie who has also attracted her fair share of fanmail. Hopefully we'll be able to get her back in the magazine very soon.

SECOND GUEST

I just wanted to write and say thanks for featuring the legendary Jo Guest in the magazine again last month. Seeing Jo in her pomp takes me back to the days when I'd just started buying *MensWorld*, and going into a newsagents to buy a top-shelf mag felt exciting and even a bit embarrassing – especially if there was a fit bird behind the counter. Of course, back then Jo was a regular fixture in *MensWorld*, and I'd always be looking forward to seeing her latest spread. These days, I think I get excited about the 'new old' pics of Jo almost as much, and I think she was one of the sexiest girls ever to have taken her clothes off for any mag, and she always stands up well against the new birds.

I'm sure I read somewhere that's she's been doing a bit of modelling? You could even feature an article letting us know how she's doing. I think a lot of people would really enjoy that.

Will, Hexham

You've pretty much summed up the situation with the Jo 'new old' pics there Will. Most readers love seeing the never-before-published shots of Jo and have fond memories about her glory days, but a handful have said that they feel a bit weird getting off over pictures that are from way back when. Please let us know. Also if, like Will, you'd like to see a catch-up feature on Guesty and what she's up to now, along with some more recent modelling snaps, drop us a line.

THANKS FOR THE YANKS!

I buy *MensWorld* because it features the best selection of proper American pornstars on the market. You see, I'm not one of these people who gets all funny about these girls with blonde hair and big fake tits – indeed, that kind of girl is exactly the type I go for! For some reason, I just love the look of enhanced baps. Volume 23 Issue 5 had me in paradise with Kagney and Cindy, two complete and utter babes with inflated boobs and curves in all the right places. So keep them coming and ignore the people who moan about plastic racks – I'm sure there's plenty of readers, like me, who find them a massive turn-on!
Anthony, Inverness

These obviously fake-boobed American pornstars are a bit like Marmite with our readers, some love them and others really don't like them and aren't shy to let us know. Rest assured Anthony, however, because we're of the former group. I mean, where would we be without busty, curvy babes like Kagney and Cindy? Expect more of the same as usual over the coming months.

LUCY

PHOTOGRAPHY: STEVE COLBY

She's tall, gorgeous and looks incredible in saucy black undies. Indeed, Lucy is really fucking hot, we're sure you'll agree, but we often ask for that little bit of extra 'something' here at *MensWorld*, and what lifts her above your average stunning model is the attention to detail shown in crafting that unbelievably tidy pussy thatch. What a work of art!

"It's a labour of love, I can assure you," she told us with a naughty little smile during the shoot lunch break. "The sensation of the cold razor against my warm, soaped up skin and pussy hair always makes my clit tingle and throb, so that's why I usually take such time and care over doing it!"

At this point we just remained silent, nodding and urging her to tell us more.

"Of course, once I've finished teasing myself and shaping my little bush into whatever shape I please, then I'll often slip my fingers between my pussy-lips and indulge myself for a little while," she continued, obviously loving telling us her sexy little story and watching us squirm, sat there all goggled-eyed like a bunch of horny teenagers. "Although sometimes I'll take my waterproof dildo in there with me and really have some fun."

It was at that point we had to excuse ourselves for approximately three minutes.

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

SET UP SEX!

Just last weekend I was really horny and needed to get my pussy fucked big-time – either that or have some filthy bird with a strap-on slam me senseless. Or, indeed, both simultaneously. I can be very dirty that way.

Anyway, I headed to a pub where I've never failed to score some action. I was sipping some wine and surveying the talent when this really buff bloke strolled up and parked himself on the seat next to me.

"Hi, I'm Dennis," he said pleasantly. "Anyone catch your eye?" he asked.

"Oh yes," I replied.

"Reckon you'll snare them?" he asked.

"I already did," I told him, and grabbed his already-hard cock through his jeans. "But first I need a girl to join us."

"A threesome?" he asked, sounding like his heart just skipped several beats. "Are you serious?"

"Never more so," I replied. "See that brunette over there?" I pointed to a fine, fit girl sitting alone in a corner, who was smiling in our direction. "I suggest you ask her if she'll join us for a drink. And maybe something else besides…"

Dennis did as I'd told him and within moments was back with the brunette. "This is…" he started to say.

"No names," I said. "Listen, what say we all make tracks for my place and fuck each other's brains out?"

Back at my house I had Dennis fix us all drinks while I got straight down to business with the brunette. Having pulled off her pants and pushed her onto her back on the sofa, I acquainted myself with her pussy. Pulling her pussy flaps wide, I buried my tongue deep inside her slippery slit as far as it would reach. Then I let go of her cunt lips, which folded over my tongue.

As I orally probed the brunette's hole, she made quiet, whimpering sounds that turned me on so much. My twat was oozing juice and I desperately needed it seeing to. So I stopped what I was doing and straddled the girl's face – I never wear knickers – and let her eat me out. And that she did, ferociously, as though it were her last supper. As I writhed like a woman possessed on her face, I shouted out, "Hurry the fuck up, Dennis! I need your cock – like NOW!" What, me bossy?

Dennis charged into the room minus drinks but naked from the waist down, and sporting a humungous hard-on. He'd felt big through his jeans, but in the flesh, well, I swear it was a good nine inches, and pretty thick too.

"I hope you're juicy enough to take my beast," Dennis said, then let out a howl like a werewolf in heat. Climbing off the girl, I whispered in her ear, "Put on the strap-on that's in my bedside table." Then I answered Dennis with, "If I'm not juicy enough for you, you've got plenty of spit in that big mouth of yours, I'm sure."

We both laughed, but that stopped a few seconds later when Dennis slid the tip of his dick into my cunt. Then he grabbed me by the hips and wormed his entire length inside me. I groaned with every throbbing inch of it.

"You approve?" he asked. Speechless, I nodded exaggeratedly, and in a few more seconds, Dennis was piledriving my

pussy to oblivion. It felt amazing, and I could feel my cunt juice dribbling down the backs of my legs. Then, in what had to be record time for me, I suddenly screamed, "I'm cumming!" And I did, thrashing around like I was being repeatedly hit by lightning. It went through every limb.

Still shaking, I slid off Dennis' cock, spun around and grabbed it. Then, with my arse pointing skywards, I wrapped my mouth around it, taking as much of it down my throat as I could.

As I sucked, our brunette friend came behind me and slammed the strap-on into my cunt. As she ground it deep inside me, Dennis screamed, "I'm cumming, you dirty slut!" Then he offloaded his cream down my gullet, and I gulped it all down. And there was a lot of it! After a moment, I turned to the girl and said, "That was great, right, Liz?" I said.

"Absolutely, Penny," she replied.

The look on Dennis' face was to die for. "You two know each other?" he said.

"I admit it," I answered. "Yes, this evening was a total set-up. But you don't mind, right?" And you know what? He really didn't.

Penny, Plymouth

BOOB BANGER!

Breasts, tits, boobs, hooters, jugs, cans, headlamps, knockers, melons – call them what you want, I call them amazing. To me they are the part of a girl's body that defines her sexuality. There's one prerequisite, though – they have to be big. I'm not talking zeppelins, necessarily, but they have to be big enough for me to slide my cock into the cleavage and have their owner wrap her tits around its shaft, and tit-wank me into spurting my steaming spunk. That's all I ask.

Last summer I had the pleasure of a brief liaison with a blonde who possessed the most magnificent pair of mams I've ever laid my eyes on. It wouldn't have happened over here, but I read about the annual Nudes-A-Poppin' event in Indiana, America, and decided I was going to treat myself to a dirty holiday.

Although I'd never been to a nudist camp before, I've always been somewhat of an exhibitionist, and had no qualms about walking around in nothing more than a pair of flip flops and a smile. Trust me – if you were up close to the acres of flesh on show, you'd be smiling too. The only drawback is that the organizers of

HAILEY & ELLE

PHOTOGRAPHY: AUTOMODELZ

At a luxury apartment somewhere exotic, we join Hailey and Elle lezzing off, caressing one another's gorgeous body across not one but two towels. I suppose it goes without saying that we weren't afforded the expenses to travel to this shoot, although we did catch up with the girls in a rather x-rated conference call to find out how everything had gone.

"Well I think it was a nice location, but to be honest once I'd seen Elle in her teeny little bikini I kind of forgot about all that stuff," said Hailey amidst giggles and titters.

"I'm sure it was a villa on the coast," Elle cut in, "although all I really remember about the trip is enjoying stroking Hailey's boobs and licking her pussy until my tongue ached!"

Sounds like quite the jolly jaunt, we replied, not jealous in the slightest, and it was left to Elle to properly rub salt in our wounds.

"I'd like to say we wished you guys were there," she said with a cheeky laugh, "but I was far too busy with Hailey to even notice!"

Charming.

ASHLEY

PHOTOGRAPHY: SCOTT WARD

Some photographers go the extra mile to make the girls look even more sexy with fancy furniture and unusual apparatus and whatnot, whereas others let the model do the talking, and we have to say that this set of Ashley falls very firmly into the latter category.

Indeed, here at *MensWorld* we don't think we've ever seen a background or setting that has left it to the model in such a blatantly obvious way.

Whether it's laziness or confidence in the subject we're not entirely sure, but either way he's got lucky, because if any girl can hold a shoot like this together it's Ashley and her nigh-on perfect all-natural body.

"I did think the set was a bit sparse when I first walked in, there's usually at least a couch or a bed," she told us when we called her to say how hot she looked in the shots. "But I was feeling pretty sexy that day wearing my cute little see-through shorts so I just strode in there and got on with it. After all, the readers want to see me naked, right? Surely they don't give a hoot about interior design!"

And, of course, Ashley was right, although a couple of ornaments and a chaise longue wouldn't have gone amiss.

HOWBIGREALLY.COM

This one's for all the doom-mongers out there. Those people who see a natural disaster on the news and say: "But what if it happened in England, Doreen?"

Powered by the BBC, *howbigreally.com* allows gloomy types with an apocalyptic outlook to view the scale of a number of well-documented catastrophes on a map with the actual area affected marked out over the place where they happened. The user can then move the marked out area to another part of the world to see the impact it would've had on a different city or country.

"THIS ONE'S FOR ALL THE DOOM-MONGERS OUT THERE"

For example, if the Chernobyl leak had happened in Blighty then we'd probably – probably – all have three heads and seventeen toes right the way from John O'Groats to Lands End and the fish around our coastlines would have four eyes and glow in the dark, and if the recent floods in Pakistan had swamped these shores then the majority of the UK would've been underwater – a sobering thought indeed! Other interesting titbits such as the length of the first ever Moon Walk (not Michael Jackson's version) and the size of the Glastonbury Festival should keep the non-doom-and-gloomers happy.

RADIOLINGUA.COM

Planning to go abroad on your holidays this year? Well why not learn a bit of the local lingo and surprise the locals, and we don't mean 'Oi Pedro, go and get me some fucking chips'. At *radiolingua.com*, you can download, completely free of charge, short, bite-sized courses in Spanish, French, German and Italian, or if you're feeling a bit more adventurous you could have a crack at Zulu, although when and where you'd need to order a San Miguel in the latter tongue we're really not so sure.

Offering super-concise 'One Minute' sessions or longer 'Coffee Break' courses in the more popular languages, this easy-to-use website provides all you need to begin learning another lingo conveniently on your mp3 player. And some of the birds have got sexy voices so you might even get a stiffy into the bargain.

WALKIT.COM

With all the proposed NHS cuts and the threat of hospital closures and even longer waiting lists, surely it's time to start for all us couch potatoes to start looking after ourselves a bit – and we don't mean through punishing stints in a gym or running around the block until one collapses in a pile of dog turd. Just half-an-hour of brisk walking three times a week can be seriously good for the old heart, so why not get out for some regular strolls in a bid to get fit? Featuring recommended routes for many towns and cities up, down and across the UK, interactive planning maps for those who want to devise and distance their own wanderings, and handy little extras such as journey time and calorie burn estimates, *walkit.com* could easily be your first step to a sprightlier lifestyle – and all you have to do is go for a walk!

SOULPANCAKE.COM

Created by Rainn Wilson of *The American Office* fame along with a couple of buddies, *soulpancake.com* is a place where people from all walks of life can go to discuss, debate and generally thrash out the meaning of what it is to be human. Many of life's big questions are continually being pondered here by anyone who fancies getting involved, with the hot-topics at the time of writing being 'how to deal with emotional wounds', 'can you see genius in insanity?', and 'are Canadians slutty?'. Although some of the answers and posts border on the over-sincere and schmaltzy at times – hey, this is an American site! – it's nice to know that loads of other people are mulling over the same issues about existence that might be important to you. If they're not, then you can always put your own human dilemma up for discussion on the forum.

GOOGLESIGHTSEEING.COM

The Internet is a veritable treasure trove for those who want to experience all that life has to offer without even leaving the house. You can make new friends and chat regularly with them on Facebook, find a 'virtual' girlfriend in one of the gazillion online chatrooms, order your groceries and booze from the supermarket and now, thanks to *Googlesightseeing.com*, you can travel even the world from the comfort of your own living room/ masturbation chamber. Utilising the modern-day miracle that is 'Streetview', this fascinating website has the power to whisk you off to popular sights such as the Coliseum in Rome and Times Square in New York, taking in everything from spooky ghost towns, safari parks, weird crop circles and even a couple shagging in a car on the way, all with a few clicks of the mouse.

Foxy Boxing

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF PORN AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: The Clash of the Porn Titans – Jenna Jameson vs Tera Patrick

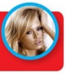
Pedigree

Jameson

After working as a stripper and a glamour model, Jameson made the switch to making adult movies in 1993 and never looked back. During an illustrious career in porn, she won a sackful of AVN Awards, formed her own production company – Club Jenna – and is still considered by many to be the most famous and popular adult starlet ever in the history of the industry.

Patrick

In many ways Tera's career path has been remarkably similar to Jenna's in that she stripped and modelled before getting into movies, winning loads of awards and launching her own production company. The difference with this breasty stunner, however, is that she took time out to do degrees in both Nursing and Microbiology meaning, unlike Jameson, she wasted valuable time studying when she should've been working on her reverse-cowgirl.



Round 1: While Tera was boozing in the Student's Union and bunking off lectures, Jenna was busy doing important stuff like sucking cock and having lesbian sex. Jameson takes the first.

Mainstream Achievements

Jameson

She's done voiceovers for video games, written a best-selling autobiography, starred as a zombie stripper in the Oscar nominated horror film, *Zombie Strippers*, and was even asked to debate porn at Oxford University, although rumour has it that the real mass debate occurred after she'd left campus, with a stream of boffins skulking off back to their dorms to 'consider' Jenna's cleavage.

Patrick

Much of Tera's mainstream work has been in very similar circles to Jenna, giving rise to the suggestion by non-existent experts that girls who are good at porn are also naturally suited to doing voiceovers, writing about themselves and appearing in shit horror movies wearing a bikini. However, Tera holds the trump card here in that she once shot a film with Eric Roberts, the grizzled star of *Sharktopus*.

Round 2: Jenna's mainstream portfolio is impressive, and one that saw her become a proper celebrity in her day, but it's the Eric Roberts factor that sees Tera bag round two in style.

Sex Appeal

Jameson

Pretty, blonde and with big fake boobs, appearance-wise Jenna is very much your stereotypical porn starlet. After studying her technique closely in many of her movies, we've also come to the conclusion that she gives great blow-jobs. However, Jenna's true sex appeal emanates from the fact that she's intelligent, a great businesswoman, and an icon for female empowerment. No, really.

Patrick

With her exotic looks and enormous 36DD boobs, Tera, like Jenna, is tailor-made for the hardcore arena. Seeing her brazenly take jet after jet of spunk on her face across over a hundred movies has also proven a huge turn-on for many. But all those jism sploshes pale into significance when you consider Tera's heady combination of intelligence, business acumen and large breasts.

Round 3: We just can't separate these two sexy porno power-women – it's a drawn round!

Miscellaneous Talents

Jameson

Although most porn fans know that Jenna is highly-skilled when it comes to getting fucked in front of cameras and making dicks erupt with her mouth, it's doubtful that many have considered, or are even the slightest bit interested in, what she's good at outside of taking cock and looking hot. Here at *MensWorld* we think that's an appalling attitude.

Patrick

When she's not emptying the balls of some man or other, outdoorsy type Tera can be found fishing, camping, or even hunting – apparently the hardcore hottie loves nothing more than to pick up a rifle and take down a caribou or two. Of course, everyone loves a girl with a gun – unless, of course, she's pointing it at you, crying and saying that you've ruined her life.

Round 4: Tera trounces Jenna in the fourth with her Ray Mears style interests. Although saying that, we don't think we've ever seen Mears shoot an animal in cold blood.

Future Prospects

Jameson

With Jenna officially retired from porn and the proud mother of twins, most of her fans have lost interest and found another favourite amongst the massed ranks of hardcore starlets. For the record, however, Jameson is working on her second autobiography which, we imagine, will be about changing nappies, Farley's rusks and afternoons spent watching the American version of *Loose Women*.

Patrick

Shrewd businesswoman Tera has certainly feathered her nest over the years, building a successful production company and even investing in property. However, such is her love of the business that made her, Tera is actually still making movies, albeit only for her website, which we don't want you to visit because we'd rather you read *MensWorld*.

Round 5: With Jenna gone to seed under a pile of nappies and wet-wipes, Tera delivers the cock-sucker punch and takes the final round and contest.

Result

This clash of the porn titans was always going to be a feisty and keenly fought encounter, but while Jenna Jameson has left porn behind to embrace motherhood and write those books you find in Asda for £1.99, Tera is still proudly sucking cock and lezzing off like the consummate professional she truly is. Add another cherished accolade to the list Tera Patrick, because you're our Foxy Boxing champion!

ISIS

PHOTOGRAPHY: HICKS

She's one of the hottest Latina-style lovelies on the scene at the moment, and there's no prizes on offer for guessing what Isis Taylor's fans like about her the most – her perky tits and that beautifully rounded arse.

They also apparently like the fact that she enjoys watching sport and playing video games. Indeed, aside from her far from ordinary looks and out-of-this-world body, Isis is a down-to-Earth girl who just happens to make a living through having sex on camera.

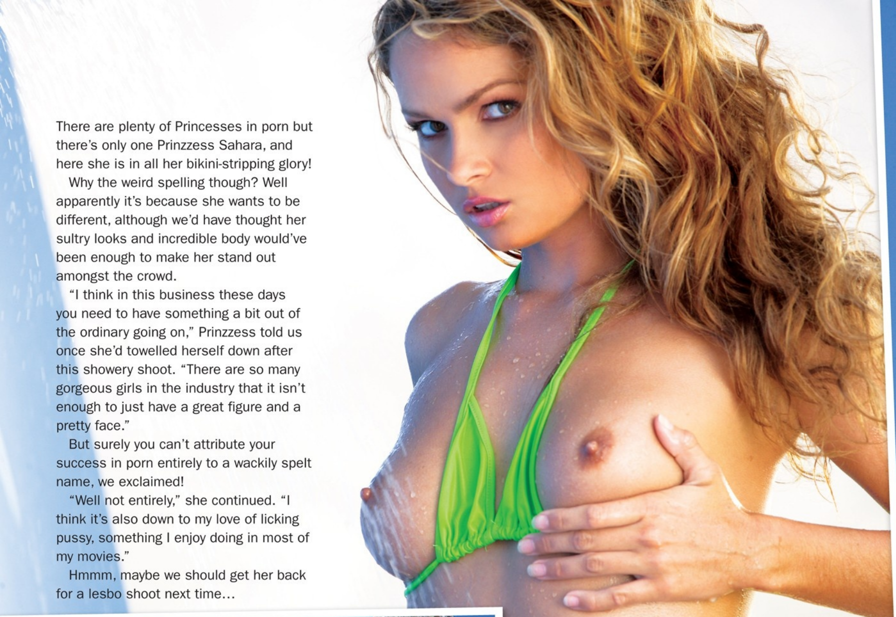
"I also like playing Monopoly and Scrabble," she told us during a quick exchange of emails a few days after the shoot, "but don't tell the readers that because they'll think I'm boring!"

Whoops, we've accidentally spilled the beans, but we don't think she'll mind. I mean, how could any girl who looks like Isis ever be boring?

The simple fact is that she wouldn't even have to do or say anything and you'd still be royally entertained with her for company, especially if she was wearing a skimpy outfit like the one in these pictures. And if she offered to suck you off, even better!

SAHARA

PHOTOGRAPHY: HICKS



There are plenty of Princesses in porn but there's only one Prinzzess Sahara, and here she is in all her bikini-stripping glory!

Why the weird spelling though? Well apparently it's because she wants to be different, although we'd have thought her sultry looks and incredible body would've been enough to make her stand out amongst the crowd.

"I think in this business these days you need to have something a bit out of the ordinary going on," Prinzzess told us once she'd towelled herself down after this showery shoot. "There are so many gorgeous girls in the industry that it isn't enough to just have a great figure and a pretty face."

But surely you can't attribute your success in porn entirely to a wackily spelt name, we exclaimed!

"Well not entirely," she continued. "I think it's also down to my love of licking pussy, something I enjoy doing in most of my movies."

Hmmm, maybe we should get her back for a lesbo shoot next time…

CINDY

Haha, so you want to know about bad things I get up to on photo shoots? You do know I get paid to suck cocks and pussies, don't you? Is that not bad enough for you? Okay, well I do have a story to tell about this one shoot I did, and I guess I went a bit further than I normally would dare. Let's say I made it into the papers!

I was booked for an orgy shoot – me, two other girls and a couple of guys. Me and the girls – Kate and Lucy – were dressed as cheerleaders, and the two boys – Rick and Carl – were dressed as American Football jocks. Yeah, pretty cheesy, I know, but you guys seem to love us girls in cheerleader outfits, so I'm blaming you! So anyway, the shoot was booked and we all got to the studio in good time for make-up and outfitting, and before long the five of us were bumping and grinding, fucking and sucking, doing all the usual, except doing it in a long, drawn out way so the guy talking the pictures could get all the shots he wanted.

It's very frustrating sometimes, shooting hardcore stills, cos when you just want to fuck the people you're with and get lost in the moment, you'll get told by the man with the camera to change positions, to hold still, to climb off the cock you're riding and go play with someone else – very irritating, I'm sure you'll agree!

Well, I quite fancied Carl and I was hoping to get a bit of time alone with him. Rick was alright, and the girls were both pretty enough, but Carl and I had some good chemistry from the get-go, and he had a nice, juicy prick that stayed hard all the time we were shooting. And I could tell that he liked it most when I was working his cock, much more than when Kate and Lucy were. Those girls were regular, bored bitchy girls who didn't have their heart in the job, whereas I really go for it when I see a guy I like on set. Carl could tell I fancied him, so made sure he got his cock into my hand as often as he could.

So the shoot went on for a few hours and it all went pretty well. I was really annoyed, though, when it came to the popshots. The photographer got Carl to spunk over Lucy's tits and he made Kate lick it off, while I got Rick

cumming in my face – not what I was hoping for (although fun all the same!)

We all headed to the shower once the sex was done, and I paired off with Carl the first chance I got. We got off with each other in the shower, but it was a little bit uncomfortable cos the rest of them were giggling like schoolkids and pointing. I wanted to get Carl somewhere where I could have him all to myself, and that's when I had the great idea of exploring the photographer's studio for a hidden nook to make out in.

Carl and I got dressed and started hunting for a quiet spot in the studio. We found a dingy staircase at the back which led onto a secluded spot of roof overlooking Soho. It was late afternoon, not dark yet, and we shared a couple of cigarettes whilst watching people hit the bars and restaurants, chatted about ourselves for a good hour or so, and then started getting amorous with each other.

I paid no mind to the fact that the photographer and the models we'd been working with earlier wouldn't have a clue where we were. I was fully in the knowledge that they might well be locking up the studio below us, and that we might have to stay in the building overnight, but I just didn't care – all I wanted was his cock in me without the indignity of having to share it with anyone else.

I pulled his jeans down and got to my knees, and his dick sprang to hardness right away. Even though it had been inside me earlier, it felt totally different now that it was for the pleasure of sex, not for work. I took the tip in my mouth and kept eye contact with him as I slowly slid my lips down his shaft and took the full length deep into my throat. He let out a loud moan, then realised we were on a low rooftop not far from the heads of people just leaving work and heading out for the evening. He laughed, but then got pretty serious again as I started bobbing my head up and down the length of his erection, coating it with my saliva.

I would have been happy to swallow his cum there and then, but I guess Carl wanted to give me the proper fucking he'd been prevented from earlier, so he pulled me away from

his cock before I made it spurt, and pulled my dress up, bending me over the railing on the side of the roof. I felt his prick push against my swollen pussy lips, and he entered me with ease, as I was so wet already. I didn't even mind that I was facing Soho with a guy fucking me from behind, just a couple of storeys up, just as the sun was setting. I was sure people could see me, though I hoped it wouldn't be immediately obvious what I was doing.

Carl fucked me good and hard. His dick was firm and thick, so it stretched my pussy lips wide and every time he rammed it in me I could feel it filling me up. I reached between my thighs and started rubbing my clit while he boned me, and he pulled the top of my dress down and started clutching my tits as his rhythm got faster. Okay, now I knew people in the street below would know what I was up to!

I ground my bum up against him as he continued to fuck me, and I started to come from the friction. I tried to keep quiet, but let out little squeals of pleasure, and then I felt Carl's hips buck and he started squirting hot jizz inside my pussy. It was around this time that I saw a camera flash go off, and I realised our presence was known to some people on the street below. I covered my face as we both came, but neither of us stopped thrusting against each other for a good minute or so – it felt too nice to stop!

Once we'd recovered our senses, Carl and I snuck back down into the studio. We were locked in but we really didn't care – that just meant that we could spend the night screwing each other, and we damn well did.

And the bit about making the papers? Well, I can't remember what rag it was in, but the guy that took a photo managed to sell it to one, along with the story about a couple shagging on a Soho roof in full view of the public. They censored my tits and luckily my hair was in my face, or there could have been real trouble – I'm pretty sure that kind of thing is frowned upon!

THE WEIRD WORLD OF PORN

CUMHOG MILLIONAIRE!

INDIAN BORN PORN STAR PRIYA RAI HAS BEEN SPICING UP THE PORN GAME SINCE 2007. AND AS OUR INTERVIEW PROVES, THE NEW DELHI DAME ISN'T THE SHY AND RETIRING TYPE...

Why did you get into porn?
Well, I had a boyfriend who would always film us fucking. He had a mobile phone he used, so the quality wasn't the best but it was still a lot of fun to pretend to be porn stars. Then I broke up with him and the bastard posted all those little movies on the internet. I got mad, but then I figured, what the heck? I don't look half bad fucking, so I might as well become a professional porn actress. It wasn't such a stretch for me because I was already doing a lot of sexy bikini modelling and stuff.

Were you nervous about your first shoot?
You know, I think all girls are a little bit nervous even if they love sex, and even if they are used to the camera. For me, I was worried that I wouldn't be attracted to my fellow actors, but so far that has never been a problem. Most porn actors are very, very hot. In fact, when you spread your pussy for the camera for the first time, there is such a sexual rush of being a naughty, naughty girl. I get wet just thinking about it.

What was your sex life like prior to getting into porn?
Very different, because I didn't know I was attracted to girls until I entered this business. I had steady boyfriends and plain relationships like everyone else. Now I often have sex with girls on my days off. I still prefer cock, but it's a lot of fun to fool around with girls too, or to have one of each. My sex life is much more fulfilling now because there is more variety.

How did you lose your virginity?
I was sixteen and he was an distinguished older gentleman… Or so I thought at the time, but he was actually only 21. It was a good experience. It doesn't take much for me to climax. Even that first time, I achieved orgasm when he started rubbing my clit with the top of his cock. I think he was just as surprised as me.

Do you ever orgasm on set?
Yes, usually with men I get off naturally after a few minutes from the fucking alone, no bells and whistles needed. A few times the positions have been so awkward that it has been impossible for me to relax enough, but then I just ask my scene partner to finger me to orgasm after the shoot. I never leave the set without having at least one or two orgasms. That would be wrong!

How often do you masturbate?
Almost every night; it's like a ritual for me to reach for my vibrator when I crawl into bed. I also like to rub my clit while I make phone calls. It doesn't matter who I'm talking to, even if I'm calling my landlord about a clogged sink I usually masturbate at the same time. Obviously, he doesn't know that. Or maybe he does now!

What part of your body do you like the best? Or is that a silly question?
Well, I got new tits in 2007, and I am still really fascinated by them. And I hope a lot of guys are, too. Others seem to think I have a great ass, and I'm more than happy to go along with that opinion – it's all good!

How do your friends and family feel about your chosen career?
They have been gradually introduced to it, from my bikini modelling days to the softcore and hardcore of today. I never went overnight from innocent

student to hardcore pornstar, like some other girls, so for me there was never any huge drama. Everybody is happy for my success, even my fellow students on my degree course. I have a few teachers who seem very fascinated by me. I bet they watch all my movies, ha ha!

I can't imagine why they're fascinated by you! But do you watch porn yourself?
I try to watch the movies I'm in, but I'm not really into movies of any kind. I don't even watch much TV.

What kind of guys do you tend to go for?
I like guys who are not intimated by me. I'm a nice person and not a bitch. Many guys assume that I'm stuck up because of my looks. In reality I do anything for my man, I'm a tiger in bed but outside the bedroom I love pampering him in every way, mmm!

You don't seem to be the jealous type.
No, I'm not jealous at all. I don't have time for a steady boyfriend anymore, but if I did, I would be happy to bring home hot girls for us both to fuck. I think threesomes are great. I'm into trying new stuff, so I often experiment with a lot of Kama Sutra and fun positions with my partners. I like to keep things interesting. It's never the standard in-and-out with me.

You sound very sexually open-minded. But how does fucking in your personal life differ from fucking for movies?
It's not that different actually. If anything, it can be a little frustrating to be told what to do during sex, because normally I like to take command and do anything I want, when I want it, for my own sexual pleasure. But, I guess that's why it's a job. You can't have everything.

How long do you intend to stay in the business?
Unfortunately a porn career is usually very brief, and maybe mine will be over in a year or two. And that's why I'm in school getting a degree, because soon enough I will have to do something else.

Apart from studying, what else do you do when you're not working?
I'm into meditation and yoga and soul searching. And I like cooking. Good food is big on my list. Especially sushi.

And finally, what makes you a good lover?
I can give great head and all that usual stuff, but my biggest strength is my ability to always keep sex exciting and new. If you fuck me more than once, you will know that every time I have some new sexual tricks up my sleeve. And I'm definitely not inhibited. Guys love that!

CRUSH DIET!

Which boxfresh babes can cut it in the jizz biz? Emma Edwards joins director Ray Bones on set to check out the new breed getting sprayed with seed…

New Pussy For the Crushin'
Starring: Ariana Fox, Ericka Grant, Casey Rose, Layla, Vanessa, Brian Street Team, Cameron Reed, Ray Bones, Jack Spade.
Directed By: Ray Bones.
Available From: Diabolic.

Excited to break into the adult industry and show the world what they are made of, director Ray Bones has handpicked horny hopefuls, matching them up against seasoned players in what becomes a wild ride of sexual firsts on camera. The effects are a solid production filled with horny heartthrobs, sexy setups, solid camerawork, and incredible hardcore action spread across five scenes.

With bright eyes, bushy tails, and a thirst for basking in the glow of superstardom, watch as these industry first timers break into the jizz biz in *New Pussy For the Crushin'*, the latest project from Diabolic.

Granted a ringside seat to witness this new batch of birds spread their wings and fly, how could we refuse such a sweet invitation? So sit back and watch legs fall open and panties drop to the floor, as sexy sluts are spliced open like never before. The time has come for pretty pussies to be crushed. The floodgates are now open. Are you ready to get wet?

Up on the chopping block first is Latina dream girl, Ariana Fox. With a fresh face, svelte body, and curly brown hair, Ariana looks more like a student you'd find waiting for the school bus rather than a sexy slut eager to fuck on camera for the first time. But as we all know, looks can be very deceiving. In Ariana's case, they are!

Ariana Fox lets Mr Ink into her pink!

The Fucktastic Ms. Fox!

Perfectly comfortable in front of the camera, Ariana writhes her freshly sprung body across a gilded bed, arranging herself into one sexual position after another. "Give me more of that," director Ray Bones asks, obviously enamored by her unexpected level of confidence and expertise. Also enamored is Brian Street Team, her cock for the day that is sitting in the corner of the room, stroking his stick to the sight of her caramel-coloured skin smearing across the beige bedding. "Bones am I up yet?" he impatiently asks, tapping his foot, ready for the attack. Finally, he is given the green light by the skillful director. "It's time to crush the first pussy of the day!" Ray jokes.

Barreling at him with an open mouth, Ariana attaches her lips around his cock and begins to suck. Holding her in place by the shoulders, Brian bucks his hips into her face and moans, "you look so sexy with my dick in your mouth." Smiling at his compliment, Ariana creeps down lower, spitting on his balls and strumming them with her small hands. "Do you like this?" she sheepishly questions, trying her best to discover Brian's pleasure points. "Oh yes," he sighs, with his eyes rolling in the back of his head, "it would be better though if you stick my balls

Casey Rose gets some hose!

in your mouth!"

After a few more minutes of oral love, that looks more professional than amateur, Ariana arranges herself on top of his lap in reverse cowgirl position and then doggie. "I want everybody to see the way my body looks when I'm fucking," she exerts, spiraling her pint-sized frame in a languid S-formation that makes her look like a sexy snake. Eager to show off one insertion shot after another, she unlatches from his cock on a few occasions, allowing the camera to get inches away from the penetrative action. "My pussy's being crushed," she moans, digging her pretty toes into the bedding for better traction. By all accounts, Ariana is a hot girl and this is a very hot start!

After an extensive lighting and location change, Casey Rose saunters onto the set looking like a million bucks. With store bought titties that look to be a solid D-cup, and a perfectly fuckable body, decorated with scads of awesome tattoos, Casey already resembles the stereotypical perception of what a porn star ought to look like. But can she fuck?

That question is quickly answered the minute she jumps on Cameron Reed in reverse cowgirl position, treating his tool like a piston by riding it up and down. "I know this tight pussy feels good wrapped around your cock," she chugs, spewing out scads of dirty talk as she continues to grind and gallop. "All of this action before the blowjob?" Ray nods, obviously happy to have reeled in such a fighting fish!

Playing up to the camera by tugging on her boobs and raking her tongue across her thick nipples, Casey looks more like a seasoned player rather than an awkward new kid on the block. "Do you want these tits shoved in your face?" she inquires, spinning in place to continue the show in regular cowgirl position. True to her words, Casey wiggles and jiggles her tits in Cameron's face as he laps up her cleavage like a St. Bernard pup.

"SHE DROPS TO THE FLOOR TO POLISH HIS POLE'"

He grabs hold of the beautiful butterfly tattoos lining her waist and makes her body flutter with hardcore thumping, as he continues to slam her against his joystick.

As her legs begin to tire from the constant exercise, Casey gives up a bit of her dominance in lieu of laying on her back to take further pounding in missionary position. Maintaining laser sharp eye contact, she hones in on Cameron and begs him to bury his hammer inside of her hole. "Please make me cum. Please..." she later begs, eventually releasing a fair amount of creamy pussy paste that cements their crotches together quite nicely. Right before another gooey orgasm is released from her gash, Cameron beats her to the punch by smearing his salty cheese across her perfect chest. "Yeah, we'll definitely be seeing more of this girl," Ray jokes, noticeably excited about finding such a diamond in the rough.

All heated up from directing the first two scenes of the day, Ray Bones is more than anxious to throw himself into the mix. Happily agreeing to crush Layla across a white leather sofa, Ray is as hard as a rock and ready to turn this newbie inside out. Being such an experienced veteran, and having had the opportunity to mix middles with the industry's finest, Layla is certainly in capable hands. "You're all mine now," he contends, sliding his pants to the floor to reveal his beefy stick. Like a good slut, Layla responds with a smile and a confident, "bring it on!"

Kissing her face and petting her silky red hair, it doesn't take long for Ray to shed his bedside manner and replace it with plenty of testosterone. "Open wide like a good little slut," quickly replaces his previously tender tone. Now speaking her language, Layla is putty in his hands, dropping to the floor like a ton of bricks to polish his pole. With amateur charm and lots of heart, Layla manages to heave in a few meaty inches down her throat, but that is all for today. When push comes to shove, Layla needs a bit more experience. Perhaps entering herself into a few cock chugging contests ought to give her the oral chops needed to stand toe-to-toe with the industry titans.

Nonetheless, the little trooper rages on, taking Ray's lead at every pass. Doing her best work when sprawled out in spoon, Ray rushes her from behind, locking eyes and loins as her pussy starts to leak. "You like the feel of a big cock inside of you?" he questions. Whimpering like a puppy she nods her head, sighing, "I wish you could fuck me every day!"

Taking full advantage of the tasty meat laid out before him, Ray fucks her wildly across three more positions until her overheated body matches the orange-coloured hue of her hair. After a few more twists and turns, Layla is granted a much-needed watering session when Ray unloads his milky blast all over her. Wet!

Meanwhile, in the next room, the crew is already in the preliminary stages of recording Vanessa getting her mouth stuffed by Jack Spade. Obviously not new to the art of sucking cock, Vanessa isn't shy about getting her face smashed up against his freshly mowed pubes. In fact, she's wedged in so deep, she's asked to back away by the cameraman so he can capture Jack's cock disappearing down her hatchet. Once cleaned up, Ray returns to the set, and interjects, "I can see you've done this a time or two before!" Laughing at his raw humour, Vanessa gets back into character by busying herself and blowing spit bubbles over Jack's balls. "Do you want more of my mouth?" she teases, lifting her lips from his nads to reveal delicious spit stringers that are about ten inches long!

> "HE SPEWS HIS SAUCE ACROSS HER HAIRLESS HOOCHIE"

Flipping her over onto all fours is a direct revelation of his final answer. They continue introducing their genitals to one another by slamming the two together in doggie position. Locking her wrists behind her back, Jack ploughs his pole into her pussy, causing her eyes to squint and her body to sweat. "You know I love it dirty!" she hisses, as foam starts to corner her pouty lips.

Once she reaches climax in this position, it's time to flip her over onto her back. Now fully spread, Jack takes his place between her legs and continues the show. Pushing her down by the spattering of leopard print tattoos scattered across her shoulders, Jack has full control of this cat. "Look at me when I fuck you," he demands, cupping her chin in his hands in order to direct her electric blue gaze onto him. When her eyes roll back in a moment of ecstasy, he hisses again, this time with a tighter grip, "keep those eyes on me!" After bouncing around his stick across a few more positions, he lays her out on her back for the last time, eventually spewing his sauce across her hairless hoochie.

As the day comes to an end, director Ray Bones congratulates the girls on a job well done. Although I was only able personally to witness four of the five scenes, missing Erika Grant take on Brian Street Team in a glamorous living room, I'm happy to report that Diabolic was clearly successful in finding a shining batch of new pussies eager to be crushed. Hopefully one of these girls will continue in their quest of becoming the next big thing in the adult industry. With a great start earned by each lovely lady, we'll have to stay tuned to find out which starlets have what it takes to rise to the top!

the pageant frown on men walking around with stalk-ons, so I took a towel with me just in case. I had it wrapped around me while watching the Miss Nude Go-Go event, when I found myself standing next to the aforementioned busty blonde, dressed only in a tiny thong.

She was so excited by the show that she was wildly jumping up and down. “Whoah there, love,” I said to her, unable to resist staring at her bouncing boobs. “You’ll give yourself a couple of black eyes if you’re not careful!”

Still bounding about, she looked me straight in the eyes, then down at my groin. “Judging from the lump beneath that towel, you like what you see, yes?” she asked.

“Like?” I replied. “That’s the understatement of all time!”

“Well, how about we hang out today, then you come back to my hotel room when this is all over, and you can give me a demonstration of your appreciation. I like that British accent too,” she said. Naturally I agreed, then we introduced ourselves to each other – her name was Sue. And I’m Tom, by the way.

Although we had an amazing day together, it was nothing compared to what happened that night. Having stripped down to the state in which we’d met, Sue told me to get comfortable on the bed. Then she pulled a huge vibrator from her suitcase and stood with her back to me. “Your tits! Show me your tits!” I begged.

“Slow down, baby,” she replied. “There’s no rush, and I can guarantee you won’t be disappointed with what happens next.”

Bending forward and down, Sue looked at me between her spread legs, her tits hanging low. I gasped. She smiled, slipped the vibrator inside her juicy snatch and, from the volume of the buzz emanating from it, turned it on at maximum speed.

I started stroking my cock as Sue prodded her pussy, my gaze switching between the vibro disappearing in and out of her cunt and her swinging jugs. I swear I was just seconds away from blowing my wad when, as though she could read my mind, Sue shouted, “Stop!”

I did as she said, and she hopped onto the bed, grabbed me by the ankles and pulled me onto my back. Then she straddled my chest and made my dream come true – she wrapped her boobs around my knob. “Don’t move,” she said. “Leave everything to me.”

Momentarily releasing my dick from its soft flesh housing, Sue slid a hand between her legs. When she retrieved it, it was coated in her pussy honey, which she proceeded to smear all over her cleavage. Seconds later my cock was back between her tits, which Lucy was using like a huge, swollen pussy.

My cockhead bobbed in and out of view, drowning in Lucy’s fleshy mounds. As she massaged my shaft with their massiveness, I suddenly felt as though I’d been pumped full of adrenaline, and a huge orgasmic surge swept through my body. “I’m gonna cum!” I shouted. Lucy rubbed her fat boobs harder and faster against my cock, and seconds later I spurted an enormous load all over them, even coating her still hard nipples. Best. Holiday. Ever.

WATCHING BRIEF!

Imagine for a moment that I’m lying naked by my swimming pool, slowly sliding a dildo in and out of my pussy. My eyes are closed, lost in lustful thoughts. Suddenly you hear a loud groan and a male voice yell, “Oh yesss!”

Looking upwards, you see a guy wanking his dick on a balcony two floors above me. A split-second later, he spews his seed and disappears inside. Is he a stranger to me? Or could he actually be my boyfriend?

You look back down at me. Having not reacted in the slightest to my noisy neighbour, I’m still dreamily dildoing my cunt. You can tell from the expression on my face that it feels really good.
My hole’s so slick I can slide the entire eight inches of the silicon dick in and out effortlessly.

Although I’d paid him no heed, I’d known that the guy had been wanking off watching my poolside antics. He does it quite often, and to be honest, whenever he does, I imagine that that dildo I’m stuffing inside me is in fact his fat cock, and it’s filling me with sweet sensations. Suddenly I start to tremble from head to toe. I’m on the brink of cumming. As my orgasm hits me, and I lose complete control, I can just about hear a bloke’s voice saying, “That’s it… Ride it, baby – ride it for Robbie.”

When I eventually regain my senses, the man who called himself Robbie is standing over me, dick in hand – and it looks hard enough to drill a hole in concrete. “That was even nicer than usual,” I say.

Smiling, Robbie replies, “But what I have in store for you is going to be even better.” Then he rolls me over onto my front and pulls me up on my hands and knees into the doggie position. Feeling the hot, hard head of his cock poking against my sticky slit, I tell him, “Oh yes, I want it inside me so much…” But he doesn’t fulfil my request immediately. Instead he reaches around and starts tweaking my nipples, making me gasp and moan. Robbie juts his body forward slightly, and the head of his cock slips inside me. I bite down on my lip in ecstasy at having such a big cock inside me. I’m just seconds away from being fully impaled by its hugeness, and fucked stupid.

“You ready?” Robbie asks me.

I reply, “Give it to me –

give it to me hard, you bastard!"

Grabbing my head, Robbie twists it sideways so that he can bend forward and plant a wet, luscious kiss on my lips. It may appear a romantic gesture, but what follows is anything but. He grips my shoulders and with one sudden downwards yank, slams me onto his dick to the hilt. I gasp and Robbie says, "Now grind, bitch!"

As Robbie holds me in position, I slowly move my cunt in a circular motion, clenching and unclenching my pussy muscles around his shaft. Robbie groans and squeezes my tits hard for a few moments. Then he suddenly releases them, grabs me by the hips and starts slamming his knob in and out of me – harder and faster than I've ever been banged in my life. This is no ordinary fuck – this is pure, unadulterated, animalistic lust.

I yelp like a bitch on heat as Robbie drills me relentlessly from behind. Sweat is pouring profusely from both of us, and it feels like our bodies have fused together. Suddenly I start cumming, and as his thrusts are accelerating, I expect Robbie to do the same. And so he does, but not inside me. He suddenly pulls his cock from my cunt and flips me over onto my back, just in time to shower my tits and belly with several large jets of spunk.

In case it isn't obvious by now, Robbie isn't a stranger who'd happened along into my garden and banged me senseless. He's my boyfriend who, as you can tell, is heavily into voyeurism. Which suits me fine – just as long as I get fucked after he's had his solo fun watching me dildo-fuck myself into a cunt-frothing frenzy.

The Reckoning

Freemantle, £17.99

What would you do for five million quid? Here at *MensWorld* we wouldn't get out of bed for such a paltry sum because we already live in gold-plated castles, but things are slightly different for single-mum Sally Wilson (played by Ashley Jensen of *Extras* fame) in this gripping two-part drama. With her daughter terminally ill and requiring expensive specialist treatment in America, the situation is bleak. Until, that is, an anonymous benefactor offers Sally the cash. Great stuff, you might think, but no – because in order to receive the inheritance she must kill a bloke she doesn't even know, a man who she is told 'deserves to die'.

Sally shares her burden with boyfriend Mark (played by Max Beesley of *jobsite.co.uk* advert fame), and together they decide to track down their supposed target and find out exactly who this mystery man is, but with her daughter's condition worsening all the time, will Sally be forced to do the unthinkable and murder another human being for money? man's life? *The Reckoning* is a taut and brilliantly acted drama.

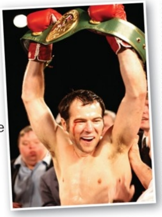
Risen

Scanbox Entertainment, £15.99

Before I'd watched this cracking flick I must confess that I'd never even heard of the man that it's all about, Welsh boxer and former Featherweight Champion of the World, Howard Winstone. Winstone was a gritty and determined fighter from the 1960s who packed out venues such as the Royal Albert Hall, and who is perhaps most famous for a hat-trick of gruelling bouts with the Mexican boxing legend Vicente Salvidar in his quest to win the championship belt.

What made Winstone's ring achievements all the more incredible was that as a young man he lost the tips of three fingers on his right hand in an industrial accident and could barely make a fist, meaning he had to retrain himself from a boxer who relied on the power in his right to one who could deliver a knock-out blow with his left.

Featuring some realistic boxing scenes and a star turn from Stuart Brennan in the lead role, *Risen* is the tale of a fighter determined to overcome the odds and go toe-to-toe with the best. Just imagine how good Winstone might have been if he hadn't chopped the ends of his fingers off.



Lovely, Still

Matchbox Films, £15.99

At first glance this is a schmaltzy rom-com featuring a couple of old timers – Robert and Mary – finding love during the Autumn of their lives, albeit one elevated by the presence of acting legends Martin Landau (*North By Northwest*) and Ellen Burstyn (*The Exorcist*) in the lead roles. However, without giving anything away, there's more to this really quite beautifully crafted film than initially meets the eye.

The story begins with Robert returning home to find Mary in his living room. Naturally, he's a bit annoyed to stumble upon a stranger loitering around in his house, although when it transpires that he'd left his front door ajar and she was simply worried about him he soon calms down. So much so that when Mary asks him out to dinner he accepts. A charming romance ensues, but with Robert often behaving as though deeply confused, and suffering from chaotic flashbacks in his sleep, is all really as blissful as it seems on the surface? Well why not watch the movie and find out!

Hitler vs Stalin

Carlton Books, £20

I think it's fair to say that Hitler made a lot of mistakes in his time, but one of the biggest balls-ups came when, one Summer's morning in 1941, he decided to invade Russia, a country he considered unprepared for battle.

Operation Barbarossa brought about one of the longest and most barbaric conflicts in World War II, featuring hideous conditions for both Soviet and German soldiers and causing a loss of life that eventually would run into the tens of millions.

Hitler Vs Stalin documents in fascinating detail the sheer brutality of this battle for the Eastern Front; a battle that would involve horror and heroism, and staggering cruelty and hardship.

Written by the late John Erikson, who was a renowned lecturer, writer and broadcaster on Russian and German history, along with his wife, Ljubica, and featuring over 350 rare photographs of the Eastern Front campaign, *Hitler Vs Stalin* is a must-read for anyone who wants to learn more about one of the key conflicts of World War II.

A Job For Jenna **Digital Playground**

DVD + Blu-Ray COMBO PACK
DIGITAL PLAYGROUND
a job for jenna
with jenna haze

I'm sure most of us know that Jenna Haze is a sexy and very well-respected pornstar who has made hundreds of movies during a career that has spanned just under a decade.

However, in this flick she plays a college girl looking for a new job so she can afford to buy fancy clothes and whatnot. So what does she go for, working behind a bar or on the tills in Top Shop? Ahem no, not exactly – Jenna sticks to her area of expertise and gets a job as a professional escort. For the first scene we join Jenna in what appears to a classroom, sucking off a bloke who I think was her first client and showcasing those legendary Haze BJ skills. Her bloke fucks Jenna in spoons and mish before coating her pussy in jizz.

I must confess that at this point I stopped following the storyline and started concentrating solely on the action, partly because I had no idea what the fuck was going on and partly because up next was Delila Darling, a very cute and petite newbie who we're sure to be seeing a lot more of in the future. She bounces around on Scott Nails' lengthy dong and takes a pop-shot on the mouth in an energetic and sexy scene.

The plot might be flaky but there isn't a duff girl in this movie, and after stunning up-and-comer Jennifer White and Brit fittie Mckenzie Lee have both enjoyed a solid cocking, and Haze has returned for her big climax, it's a case of job done Jenna and another sizzling flick for the CV.

LUST FOR YOUNG BUSTS
GAZZMAN

If you're lusting after busts then the chances are that they're going to be young ones, all plump and pert like ripe grapefruits. This movie is jam-packed with some of the perkiest boobs in the business. Chesty blonde Russian babe Mandy Dee is up first, caressing her tits in a cock-stiffening teasing session before getting licked and fucked in all holes by a lucky polesman, who rounds things off by junking all over her fantastic rack.

Next into the fray are minxish lesbos Henessy and Antonia, soaping up one another's titties in the bath and trying out their new waterproof sex toys. But the girls want a proper dick to play with, and it enters right on cue, attached to a bloke who looks very happy with the sight before him. With horny Euroslut Sasha Heart getting shafted outside a warehouse, petite hottie Henessy returning for another sapphic session – this time with pert newcomer Kattie Gold – and Angelika Black and Roxy Taggart matching them lick for lick in their very own steamy lesbo bonanza, *Lust For Young Bust* is a cracking breast-fest featuring a stream of top-notch girls teasing, getting tongued and taking cocks in all holes. Splendid.

Between The Cheeks

Between Cheeks
Tanya Hyde
HD
R18

So, no prizes for guessing what type of sex this flick is all about! However, as it's directed by that fine purveyor of fetish, Tanya Hyde, it's not as straightforward as you might imagine, with the rampant bum-fucking coming from some unusual angles and sources, and featuring performers wearing some very kinky outfits.

Oriental hottie Sharon Lee and French fittie Liza Del Sierra are for whatever reason supposed to be manning the Harmony Sick Bay, but they end up lezzing off instead. They look absolutely incredible in their figure-hugging white PVC outfits, and when they chance upon a patient wrapped in pink bandages (?), hard prong wafting in the air, you know he's in for a treat. What ensues is a blistering threesome – not so much sexual healing as anal therapy. Featuring, amongst many other things, gas masks, glamour, blonde babe Jessie Volt tackling two cocks clad in pink latex, and Michelle Moist and Jasmine Webb double-teaming a chap in a rubber military uniform, *Between The Cheeks* is an inventive bum-disc that is a must for anal fetish fans.

LUCILLE

PHOTOS: ANDREW HAYEK

Isn't this spread a joy to behold? Not only have we got the stunningly gorgeous Lucille all decked out in fancy lingerie and sexy stockings, but look at the setting and decor – it's like the secret boudoir of a posh stately home.

Unfortunately we couldn't be present for this shoot, as the big boss won't let us go anywhere that we can't reach by National Express these days, but we did get a very enthusiastic email afterwards from Lucille telling us how much she'd enjoyed herself.

'It was so beautiful and the room so was lovely and ornate', went the message, typed by an obviously very excited and happy model. 'Being in such posh surroundings definitely made me feel very special and sexy, and I hope that comes across in the pictures'.

We most certainly think it does, and we made sure we told Lucille that in our reply.

'Thank you! I only wish you guys could've been there!!' came the response.

Needless to say, so do we…
